PETITIONING THE COURT

To modify the conditions of supervision as follows:

Strike the following special condition:

- 19 You shall reside in a residential re-entry center for a period of 180 days. You shall not be entitled to the benefits of the prerelease component. You shall abide by the rules and requirements of the facility. You shall remain at the facility until discharged by the Court.

CAUSE

The petition for modification regarding the conditions of supervised release is made at the request of the supervising U.S. probation officer in the Western District of Washington and as agreed to by Ms. Singleton, as noted in the attached waiver signed by the defendant.

The basis for the request is that Ms. Singleton is currently on home confinement with the Bureau of Prisons and is scheduled to begin her term of supervision on December 8, 2012. Prior to being placed on home confinement on July 5, 2012, Ms. Singleton resided at the residential re-entry center (RRC). She recently obtained her own apartment and is receiving disability and food stamps. She has also been set up with an assistant to help her with household chores a couple of times per week. Ms. Singleton has been doing well and an additional term at the RRC does not appear to be necessary at this time.
